# BLACK MARKET BODY PARTS

## HOW I SOLD MY KIDNEY ONLINE

"The thief comes only to steal and kill and destroy." —John 10:10

Story by PETER THOMPSON

**I** SAT IN A GUATEMALAN FAST-FOOD JOINT WAITING FOR THE GOOD DOCTOR, A FAMOUS INTERNATIONAL ORGAN TRAFFICKER AND KNOWN DEALER IN HUMAN MEAT. FOLLOWING A SERIES OF FURTIVE EMAILS WITH THE MAN, I'VE QUITE SURE IF HE'D SHOW.

HUMAN CAPITALISTS ARGUE THAT A PERSON SHOULD BE FREE TO CONSIGN, SELL, OR OTHERWISE AUCTION TO THE HIGHEST BIDDER ANYTHING THE MARKET DESIRES IN EXCHANGE FOR THE MARKET'S FAIR PRICE, EVERYTHING FROM BALLSACK AND BONER TO RARE BLOOD TYPES AND BONE MARROW. THE CIVILIZED WORLD SANCTIONS APPROPRIATE COMPENSATION FOR BLOOD, PLASMA, AND THE LIKE. IN MANY PLACES IT'S LEGAL FOR A WOMAN TO RENT OUT HER WOMB LIKE A VACANT BASEMENT APARTMENT TO THOSE UNABLE OR UNWILLING TO CARRY A CHILD TO TERM. CLINICAL TRIALS PAY PEOPLE FOR THE USE AND SOMETIMES RUIN OF THEIR ENTIRE HUMAN OPERATING SYSTEM. THERE ARE PEOPLE WILLING TO GIVE OTHERS MONEY FOR SEMEN, BREAST MILK, STEM CELLS, SPINAL FLUID, STOMACHS, SCALPS, SKULLS, AND LIVERS. THE NET HAS SERVED TO BRING HUMANITY CLOSER AND NOW IT ALLOWS US TO EXCHANGE THOSE THINGS WE HOLD MOST SACRED.

### DOCTOR WHO

I have no idea what to expect, no idea what kind of man the doctor is. I know only his name: Dr. Irvine Gunny Hippoe.

I'm guessing he's just another greedy cocksucker, but to international authorities he's a human trafficker, a seller of modestly used, "fully functional", corneas, hearts, and lungs—and an individual believed to have conducted more than 2,000 illegal kidney transplants in the past seven years.

Each year thousands of individuals hoping to find an organ match, before it's too late, die while waiting hopelessly on The List. For some the pain from dialysis and fear of death drives them to break the law and pay ridiculously inflated street prices for their organ, some going as high as \$200,000.

Ethically, this makes Hippoe the lowest form of human life, a body thief who deliberately takes advantage of the destitute and desperate in order to make his obscene profit.

Of course, in better times I would never even consider letting some butcher with a name like his come anywhere near me, let alone give him permission to slice me open like a holiday hog only to grab at my innards like pinata spoils; and, all of this for a mere five grand?

Life, as they say, can be challenging.

For the record, those better times were before my sister began receiving phone calls from an individual threatening to

cut my dick off if my \$2,500 gambling debt wasn't paid in 48 hours. The thing that enraged her was not that my life was being threatened in this inhumane way by some crazed narco-assassins, but that they insisted on talking over her and refused to let her get in a word edge-wise. By this point in my life, the better half of my family still willing to speak to me have accepted these "jams" as part of my general failure to mature and make wise choices. They'd even spoken to me about it—my poor decision making abilities.

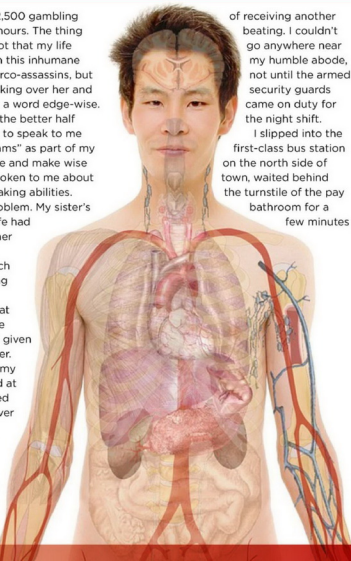

But that wasn't *her* problem. My sister's problem was that her life had been interrupted, that her daily routine had been compromised by a bunch of Mexican thugs making unreasonable death threats over the phone at unreasonable hours. She was more upset that I'd given someone her cell number.

The darker aspects of my sense of humor laughed at what the shylocks I owed the money to would never understand: my family hates me. Boy, were they in for a shock.

I had been walking around all day avoiding the urge to return to my apartment for fear

of receiving another beating. I couldn't go anywhere near my humble abode, not until the armed security guards came on duty for the night shift.

I slipped into the first-class bus station on the north side of town, waited behind the turnstile of the pay bathroom for a few minutes

to make sure I wasn't being followed, and then went downstairs to the main counter and spent my last 500 peso note on a one-way ticket to Guatemala City by way of Tapachula.

Two days later I was walking around Guatemala City killing time, still straining my brain for answers to my hopeless scratch problem while looking for the best gringo deal possible on over-the-counter Hydrocodone. I found one place with a "Buy One, Get One Free" offer. Yes, I was hungry, but securing the drugs was Job One. I was so desperate that the U.S. Embassy in Guatemala seemed like the only solution to at least solve one of my problems. I began the long walk there and along the way started working on my hard-luck story.

#### WANTED: BODY PARTS PROVIDERS

I watched as Adan Ruiz and four of his friends sipped shots of mescal and drank from bottles of beer with limes, occasionally snacking on a plate of peanuts. The group, all survivors in the exchange of black market body parts, had the same gruesome scars to prove it. All of them had sold of their kidneys to a surgeon specializing in kidney transplants who practiced medicine. Turns out, his name was Hippoe too.

Evidently, from the looks of it, these guys had now taken up the profession of recruiting more kidney donors for the Doctor's well-oiled black market body parts machine.

Sure, \$5,000 for a kidney wasn't really a

## THE NET HAS SERVED TO BRING HUMANITY CLOSER AND NOW IT ALLOWS US TO EXCHANGE THOSE THINGS WE HOLD MOST SACRED.

fair price, but these guys weren't worried. According to Hippoe, kidneys regenerated themselves approximately six months after removal—just like lizard's tails. The way these guys saw it, in just eight to 10 months they'd be ready to board another plane and have the same procedure performed again. The collective group saw themselves retiring to Costa Rica in three years and proudly sending their children to private schools.

To me it was obvious that these guys had no idea of how a human liver even functioned. Remarkably their donation scars were erratic, five-inch jagged rush jobs, hideous and discolored, like evil bolts of lightning that extended down well below their belly button. It appeared as if they were all attacked by the same chainsaw-wielding psychopath and then similarly stitched back together again. It was clear these guys were most likely butchered in a converted garage by an untrained and unlicensed amateur surgeon. I could only imagine what the damage looked like on the inside.

According to the men, as each of them came out of the twilight of anesthesia, as agreed, Dr. Hippoe slipped them envelopes containing \$5,000 in cash. Then he disappeared.

The transplant procedures were believed to have taken place abroad. Some of the men say they remembered the house they stayed in for the days leading up to the procedure as being very dark with the blinds shut.

"Like a safe house?" I inquired.

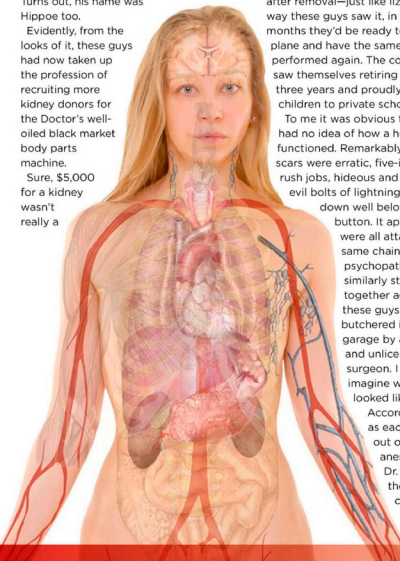

"Yes," said Adan. "I didn't feel like security was an issue there."

"You liked Dr. Hippoe?" I asked. "He seemed like a good man? Half doctor half pawnbroker?"

Surprisingly, the group then toasted the man.

And why shouldn't they? True to form Dr. Hippoe had taken care of all the details. He'd arranged and paid for all of their pre-op testing here in Guatemala. He got them all passports. He sent them their airline tickets and paid for their cab rides to and from their homes. To Adan and his friends the full treatment almost seemed excessively generous. But, of course, Dr. Hippoe was probably making up to \$200,000 for each one of the men's kidneys. He could afford to be "generous."

Although most legitimate hospitals involved in kidney transportation insist on up to a week of solid aftercare for the donor, the entire process with Dr. Hippoe took less than five days. From the way the guys described it, the men were summarily sliced open like Christmas turkeys, relieved of their kidney, sewn right back up, and then put into a storage/recovery room that doubled as a windowless hellhole. As the story goes, the men woke up in stalls separated only by dirty bed sheets in the "recovery wing"

## REMARKABLY THEIR DONATION SCARS WERE ERRATIC, FIVE-INCH JAGGED RUSH JOBS, HIDEOUS AND DISCOLORED, LIKE EVIL BOLTS OF LIGHTNING THAT EXTENDED DOWN WELL BELOW THE BELLY BUTTON.

of the "clinic". They were sold bottles of Aspirin for the pain and given soup twice a day until the hospital staff were successful in keeping the men upright long enough to catch a plane back home.

It wasn't until one of the men saw an article about Dr. Hippoe being sought by INTERPOL did he realize that they too had committed a crime. The buying and selling of human organs is illegal in 192 countries, the World Health Organization decreed in 1991.

Under the National Organ Transplant Act of 1984 (NOTA), selling a kidney is prohibited in the United States. In fact, the FBI busted a body parts ring in 2009 that was buying kidneys for \$10,000 each and then reselling them for \$160,000 a pop. Not surprisingly, the FBI regularly monitors organ traffic at crematoriums, the so-called pawn shops of the body parts trading biz.

### CLANDESTINE CONNECTIONS

The phone number I received from Adan had long been disconnected (instead a car wash answered) and so I sent a series of emails to Dr. Hippoe, trying to track him down in the hopes of planning my potential payday and scheduling one of the preliminary health exams needed to make sure I was physically able to donate a kidney.

It took nearly a week to finally get a response from him. And it didn't fill me with confidence.

"I am a very happily licensed surgen [sic] who has performed more than 4,000 successful kidney transplants in 17 years," he boasted in the first email he sent.

While we regularly dickered over the final sale price of my organ, he'd continue to regularly misspell lots of words—common medical terms.

The procedure itself, he chided, much like the bodily function of a kidney, was too complicated to explain to a layman not to mention a potential donor.

Yes, there's a market for everything, but in the very lucrative world of kidney donation, the mark-up is generally in the neighborhood of 5,000 percent and the demand is growing as the number of worldwide diabetes patients continues to soar. Dr. Hippoe insisted that, for me, a desired donor, the one and only thing that was truly required was the desire to earn a stack of cash in exchange for a piece of me I truly believed I didn't need in the first place.

I asked him about the oft-quoted \$200,000 price for a new kidney, but Dr. Hippoe always put me in my place often spouting the same insurance company rhetoric.

In my case, we had agreed that my stack of "found money" would come in the form of \$4,260 unmarked U.S. twenty dollar bills, with the usual 15 percent of that total going back to the good doctor for graciously serving as my agent. The

surgery was scheduled to take place at an undisclosed location. He also informed me that there would be some additional unspecified fees I'd have to pay the government just for the privilege of leaving a kidney in their great country.

By November 2016, there was talk that Hippoe was also affiliated with private "clinics," garages, and hospitals in Kosovo, Cameroon, Eritrea, and Qatar—all countries with dubious levels of medical infrastructure, all semi-lawless elysiums lacking formal extradition treaties with the rest of the civilized world. The Doc made sure his ass was covered.

His repeated offers to send me a Xerox copy of his medical license did little to reassure me that he was who he said he was.

In fact, the good Doctor sent several emails meant to reassure me, to calm the anxiety building inside of me over the operation scheduled for the next Monday, and all the potential complications inherent in any surgical procedure.

"Don't have any worry about the operation," one read. "It is a very simple and rapid one that I have performed many thousands of times."

I began to give myself less than a 50-50 chance of waking up following the surgery.

### GETTING GREEN LIT

I had nightmares all week after initial exams proved that my kidneys were in decent

enough shape to warrant extraction and, more importantly, cash. My desired blood type and tissue groupings were sent to Dr. H who then went to work matching me up with one of his kidney-desperate clients.

In terms of possessions, I really had nothing left to sell or pawn. A horrible marriage had all but destroyed my credit and I stopped counting just how far in debt I was when the total approached six figures. I had men and women showing up at my front door at all hours to serve me with this warrant or that.

And, as for the thugs, they on occasion

Then there were post-op tests: blood, tissue, a GFR (glomerular filtration rate) to determine how well my kidney was functioning. Standard Operating Procedure (SOP) for anybody considering donating a kidney. This was only some kind of non-invasive typing. That's what the Dr. had told me.

I didn't even have time to notice the anesthesia mask being placed on my face. It was too late. Everything went black.

And then everything was white again. I was awake but there was a searing pain coming from my abdomen. A sheet had

"He's back on the Continent," the fat nurse responded.

"Where's the envelope with my money?" I asked.

"I'm sorry, Senor Thompson, your transplant was unsuccessful, the patient passed away," she said. "We're sending you home with your kidney."

Certainly these people were joking. Not only had I been tricked into having major surgery for money but I was now being told that I'd be returning home again my kidney functioning normally.

Then the pain grew so intense that I

tried to exact some sort of retribution by breaking one large bone in my body at a time. As a result, I moved around and kept moving.

## OPERATING CENTRAL

I woke up in a cheap motel room. CNN was on the TV. There was a story on the election. There was someone in the next bed moaning horribly as I was being attended to by a handful of people I assumed were nurses by way of their soothing voices and manner—not because they were wearing white. They weren't. The head nurse was morbidly obese and wearing yoga pants and a Hawaiian shirt, opened to reveal a sports bra. She was bending over the patient in the next bed. I was still fading in and out. She came over and checked my pulse, bending forward. I caught a glimpse of her huge hooters as it sweat dripped into my eye.

"Senor Thompson?" she said, shaking me with her fist. "Senor Thompson, in a few hours we're going to need your bed for another patient. We are going to have to move you to the floor."

The last thing I saw in the bright light was the outline of the nurse's camel toe. At that point I was riding the lovely painkiller Merry-Go-Round. My whole body felt so good that I didn't even notice that I was now lying on the floor in a filthy room, sweating into an open wound, lizards and ants crawling next to me.

been draped over my entire body as if I were dead or at least expected to be. I was cold. Was this the morgue? When I first felt the bandages on my stomach I knew that vampire had taken my damn kidney. I could hardly turn my head, but I tried. There was a gold envelope on the stand next to the bed.

Where was the Doctor? Where were the nurses? I opened my eyes wide as I felt someone lifting my feet and another taking me by the shoulders, my stitches ripping in the process.

"Good thing the sheets are red," I said to the nurse helping to move me to the floor. She laughed sadly.

"Good one," she said. "They'll probably charge you extra for ruining the sheets."

I was transferred to a rug on the floor that was next to a TV cabinet. The TV was so loud I could feel the vibrations echoing around in the space where my kidney had once been. It was just like when I lost a tooth and spent the entire day running my tongue over the spot where it had been.

"I'd like to see Dr. Hippoe," I said.

eventually passed out.

What I didn't know was that while I was unconscious, the nurses had dutifully collected all of my identification, including my passport, and disposed of it.

The next time I woke up I was in the back of an SUV being driven to the border of Mexico, then being walked arm in arm by two beefy border agents across a bridge where two Mexican border agents took control of me before placing me in the back of yet another vehicle.

"Another kidney donation?" one of the guards said to the other in Spanish.

"Poor gringo bastard. They took his kidney then gave it back to him."

Approximately one hour later, still very groggy from antibiotics, the customs security assistant unzipped my satchel.

For some reason the bottom of my carry-on was wet, soaked with some strange liquid. Inside, floating in a cloudy plastic zip-lock bag, was what was left of my unused organ. "You can't bring that crap into our country," barked the 300-pound security guard, as he tossed my kidney into the filthy garbage pail behind him.

# BIG ANAL ASSES VOL.5

ALL IMAGES COURTESY OF HARD X

**B**IG ANAL ASSES 5 IS ANOTHER DYNAMITE ADDITION TO THIS HARD X SERIES DIRECTED BY MASON. THIS VOLUME IS NOTABLE FOR TWO COMEBACKS: COVERGIRL **JADA STEVENS** PERFORMS HER FIRST ANAL SCENE IN WELL OVER A YEAR, AND **ANIKA ALBRITE** SHOOTS FOR MASON FOR THE FIRST TIME SINCE HER AWARD-WINNING SHOWCASE TITLES **ANIKA** AND **ANIKA 2**. THOSE TWO SUPERSTARS SAVE SOMETHING SPECIAL FOR MASON, WHO GETS THE MOST OUT OF THEM. **ABELLA DANGER** IS HOT AND KNOWS HOW TO USE THAT MONEY MAKING BIG BOOTY HER MAMA GAVE HER. **BRITTANY SHAE** IS A VERY SEXY WOMAN WHO IS UNDERRATED IN THE BOOTY DEPARTMENT. THAT BIG THING FILLS UP THE WHOLE SCREEN AND SHE'S SEXY AS HELL. NOW THESE ARE SOME BIG ANAL ASSES!

**Jada Stevens**

Jada is outfitted in a slutty string outfit that's very revealing. But it's Jada's ass that takes over the screen. Jada goes for a perv walk, with little drops of sweat glistening on her butt-cheeks. When Jada loses her outfit, we get to see just how hot that ass is. Mick Blue comes in so you know Jada's in good hands. Naturally he goes right to pleasing that ass, opening her up and diving in for a taste. Mick's cock then slides up in between those ass cheeks, ready to dip in. But first Jada swings around to engulf that bad boy, giving some good aggressive head here. They go right into cowgirl to start things off. Anal begins when Mick eases in from behind for a little doggie action. A little ass-to-mouth comes courtesy of Jada who also rises up to place that ass and pussy right over Mick's face. A fantastic opening scene which ends with Jada on her knees, mouth open and Mick delivering a huge load to her waiting tongue. A total ball-drainer!

### Brittany Shae

Brittany is lying on her back in a pink-and-white striped bikini. She jiggles her ass then does a slow walk. She gets sprayed down and does an awesome booty pop. Brittany has a very big ass and it looks great with oil cascading down it. She rubs Manuel Ferrara's package while he fingers her buttock. He eats out her ass then fucks her booty in doggie. Brittany rides him anally in cowgirl and reverse, and sits on his face. She briefly sucks his cock, then gets anally boned in doggie, spoon, cowgirl, and side-saddle. Brittany slobbers all over his cock and they finish up in a lazy doggie. Manuel cums all over her ass and back and Brittany does him the courtesy of cleaning him off. Good slutty girl that Brittany!

### Abella Danger

This scene opens with another superb ground shot looking right up at Abella's spectacular booty. Slow side-to-side movements from Abella make her ass cheeks move ever so slightly. The ass tease continues with Abella getting near a pool and a peel down of her bottoms gives us a really good open butt shot. Abella loses the top, showing off a nice set of titties, but when she goes back to spreading her ass, all bets are off. Damon Dice joins the show and gets in some proper ass worshiping, using his fingers and his tongue to say hello to Abella's ass. Abella rises up to spread that ass nice and wide for more oral pleasing. Abella appears more than ready to have a go at his cock; she's ravenous in how she attacks it. This scene begins and ends with anal. A little vag sex is included, Abella slides off to taste both her juices from his cock. The action continues including more fun in vag and anal in girl. The scene wraps with a solid pop to Abella's face and she's nearly breathless while offering clean up after.

### Anikka Albrite

Anikka walks through the house in a tiny thong with her Hall of Fame ass filling them up nicely. She licks her lips and shakes her ass. She gets sprayed down and continues to shake that big white booty. Mick Blue comes in and plays with her money maker before eating her out. Anikka arches her butt and Mick bangs her ass in a standing doggie. Her ass continues to get stretched out in reverse spoon and mish. Anikka gives him head and gets her face fucked. She handles every inch and then sits on his face. They finish up in anal cowgirl, side-saddle, doggie, and mish. Mick cums on Anikka's tongue and she shows it off before swallowing it.

**S**yren Sexton has a puffy shaved pussy that looks like a little pink burger waiting to be devoured by a fat man. Charles Dera has a front row seat to that tasty clam, and he dives in like it's his last meal. Sexy Syren cums all over Chuck's face, leaving a snail-trail on his chin and chest as she moves down to swallow his enormous cock. Charles wonders vaguely if he has ever fucked a more beautiful face. (He hasn't.) Charles is about to blow a nut when Syren suddenly stops sucking and starts fucking, bouncing on his dick like a kangaroo on a pogo stick. Hang on tight and enjoy the ride, Charles!

HIGH SOCIETY'S

# BAD GIRL CONFESSIONS

STARRING

# LAYLA PRICE

**P**ORN VALLEY, CA—IF THERE'S A PERFORMER TODAY WHO CAN BE CALLED A "BAD GIRL", IT'S LAYLA PRICE. THIS NAUGHTY ANAL QUEEN IS KNOWN FOR HER INSATIABLE LOVE OF COCK, ESPECIALLY IF IT'S GOING UP HER BIG WHITE BUTT. WHO COULDN'T LOVE AN ANAL SLUT LIKE LAYLA? WE KNOW WE DO—A LOT!

**HIGH SOCIETY:** Have you ever used sex to get out of trouble?

**LAYLA PRICE:** Yes, but I can't elaborate beyond that.

ALL PHOTOS COURTESY

NEW SENSATIONS,

**HS:** Ever gotten a speeding ticket? How fast were you going?

**LP:** Yeah, I was going 90 in a 50 MPH zone. I'm a speed racer!

**HS:** Ever have sex in your parents' house while they were there?

**LP:** Yes, a couple of times.

**HS:** Have you ever been caught having sex?

**LP:** Yes, not by my parents, though.

**HS:** Have you had a one-night stand?

**LP:** Yes, many. I did a gangbang on my birthday and fucked eight dudes.

**HS:** Did you have a lot of wild sex before porn?

**LP:** I had a couple of threesomes and one or two orgies, but it really took off once I got into the business.

**HS:** Ever been caught cheating at school?

**LP:** Yes. I was a C student.

**HS:** What makes you angry?

**LP:** If I catch you lying to me.

**HS:** Ever masturbated in public?

**LP:** Yes. Thousands of times.

**HS:** Ever have sex with someone you couldn't remember having sex with?

**LP:** A lot. I've had a lot of one-night stands.

**HS:** What type of guys do you date?

**LP:** Honestly, I don't have a certain type. I'm attracted to personality over looks. I need somebody who's sweet and makes me laugh.

**HS:** Do you have any sexual regrets?

**LP:** No. None.

**HS:** Anything you'd like to say in closing to our readers?

**LP:** I love all of you! Pay for your porn!
